

Letters, Words and Numbers

SNAP!

As you put your card down you have to say what the number/sound/word is.

Get Moving

Exercise, stretch, or go for a walk to release tension.

Outdoor Fun!

Draw circles on the wall and write words/sums in, can they kick/ throw a ball into (even water gun target in the summer!)

Skittles or cups - knock over the correct sound/word/ number Play hopscotch with words or letters.

Noughts and Crosses

Instead of X and Os, change to two words.

Pairs

Matching the sum to the answer or two spellings together whilst reading them out loud...there are lots of variations to this game! As you turn over the two cards again say what sound, number or word you have turned over. Make sure they stay in the same place when turned back over!
